General Manager,
Newark Eagles Baseball Club,
71 Crawford Street,
Newark N.J.

My dear Mrs. Manley,

I received your very nice note and check this afternoon and I wish to thank you from the bottom of my heart for the same. It was a signal pleasure to cooperate with such a fine ball club as the Newark Eagles were the past season.

I trust that I shall have the pleasure of serving them in 1947. Please pass on my best wishes to all of them and your fine hubby, Mr. Manley.

All the bestest,

Jocko
